AGREEMENT TO PROVIDE INSURANCE

I have recently financed the purchase of a motor vehicle through a retail installment contract (the “Contract”) purchased by Honor Finance, LLC or one of its affiliates. By my signature below, I am agreeing to the following:

- A. I will maintain physical damage insurance coverage on the financed vehicle through the later of (1) the term of the Contract and (2) the date that all amounts owing under the Contract have been paid in full.
- B. The deductibles for this physical damage insurance coverage must not exceed (1) \$500.00 for comprehensive coverage (or fire, theft, and combined additional coverage) and (2) \$500.00 for collision coverage.
- C. The policy for the physical damage insurance coverage must name **Honor Finance, LLC** as loss payee and coverage must be in effect on the date of the Contract. The loss payee address is **PO Box 1817, Evanston, IL 60204**.

I understand that physical damage insurance coverage does not include liability coverage. Liability coverage or a bond is required to operate a vehicle in most states. I can contact my insurance agent or insurer for more information.

I am considering entering into a Retail Installment Contract in connection with the purchase of an automobile from the Seller named above. I have been given an opportunity to read the Retail Installment Contract, which is completely filled in, and to ask any questions I have concerning the contract or this document.

I understand that the price of the automobile is as set forth in the Retail Installment Contract. I represent that the “Cash Price” shown on the retail installment contract is the price I would pay for the automobile if I was purchasing the automobile for cash and that I was not quoted a lower cash price for the automobile and that the cash price was not increased because I am purchasing the automobile on credit. I understand that the Seller has the option and the right to sell and assign my Retail Installment Contract to any third party at par, premium, or a discounted amount. I understand that this means that any third party may purchase my Retail Installment Contract from the Seller for an amount, which is equal to, in excess of, or less than the amount of credit provided to me on my behalf by the Seller.

I further understand that the sale and assignment of my Retail Installment Contract will not relieve me of any obligations under the Retail Installment Contract nor will it alter any of those obligations except as to the place where payment is to be made.

I acknowledge that I have received and read this document before signing the Retail Installment Contract and that this document was completely filled in before I signed it.
